

# BB WEBB

**A sought after speaker and business coach, BB's "Everywoman" business persona is both personal and universal.**

**"BB Webb is the small business 'boss' others aspire to be!"**  
Shannon Underwood, VP Wedding MBA

## Speaker

Engaging and relevant, BB's talks are unveiled lessons learned developing her award-winning venue Carl House. She shares challenges that inspired the development of systems, solutions and protocols making her a role model to emerging and established business professionals.

**"You were absolutely everything anyone could want - informative, entertaining, and energizing. Our members were very pleased not only with the range of your knowledge but your enthusiasm!"**  
Sally Lorensen Conant, Ph.D., Executive Director, Association of Wedding Gown Specialists

## Business Coach

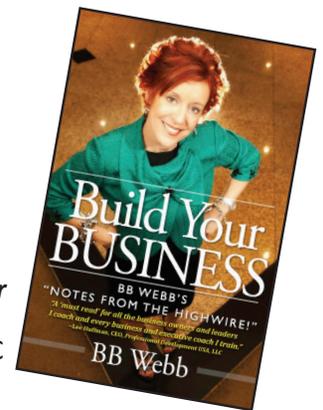

Having a coach is similar to having a trusted GPS system, helping you to navigate your company's established vision while embracing a culture and systems that determine positive growth.

**"As a coaching client, Ms. Webb has provided the necessary tools to challenge my thoughts about the direction of my business. She has awakened a purpose I had buried!"**  
Patrice Little, Author, Speaker, Nurse Practitioner

## Author

In her book, Build Your Business: BB Webb's "Notes From the Highwire!" BB shares insights from her twenty-five plus year journey as a creative entrepreneur. BB's hallmark style, signature services, customer service, and attention to detail are revered and celebrated by business professionals worldwide.

**"In her book, BB Webb shares her experience so that we can each learn, hopefully with less risk and less pain. This book is a must read for every business and executive coach I train."**  
Lee Huffman, Business Coach and CEO Professional Development USA, LLC

**"BB has the unique ability to turn vision into reality and obstacles into opportunity. While most of us only dream of success, BB succeeds in her dreams."**

Fred Rich, CEO, Olympus Worldwide Transportation

Boundless energy, impeccable taste and an unrelenting attention to detail are the hallmarks of the singular BB Webb. Creator of award-winning venue, Carl House, she is a respected entrepreneur, charismatic speaker and trusted business coach. BB's theatrical background has given her an eye for what is creative and original, and it shows in every project, talk and coaching session she delivers!

Popular with business groups, entrepreneurs, women, college students, BB is a sought after speaker and business coach. Inspired to make a difference, she leads others to pursue excellence with passion and to embrace adversity as a necessary catalyst for positive change!
